

RENATA SCHIRM

CURRICULUM VITAE

Renata Schirm is a finnish-hungarian glass artist (b.1974). The diverse language of glass has been her focus since twenty years. Renata is fascinated by glass physical presence: its ability to adapt both visually and through its formal language to the physical conditions of its surroundings. Schirm's work can be seen in exhibitions and fairs devoted to glass, craft and contemporary art. They are included in public and private art collections.
